

Privacy Statement Solids Suction Machinery Solutions B.V.

Introduction:

This statement applies to all products and services provided by Solids Suction Machinery Solutions B.V..

Solids Suction Machinery Solutions B.V., located at Admiraal de Ruyterstraat 104, 3262 XG Oud Beijerland, is responsible for the processing of personal data as described in this privacy statement.

Personal data we process:

Solids Suction Machinery Solutions B.V. processes your personal data because you use our services and/or because you have provided this information to us yourself. The data that Solids Suction Machinery Solutions B.V. may need or are necessary for the purposes described below and that Solids Suction Machinery Solutions B.V. will process at least include:

Initials and last name

Gender

Date of birth

Company name

Address details (including street name + house number + postal code)

Phone number (mobile or landline)

Email address

Bank details

Does Solids Suction Machinery Solutions B.V. process special personal data?

Special personal data are sensitive data, such as health information, criminal records, ethnic data, or data related to race. Solids Suction Machinery Solutions B.V. does not process special personal data.

Why we need data:

Once you have an agreement with [company name], we want to provide you with good service. We use your data for the following purposes:

- To be able to call or email you when necessary to provide our services.
- To inform you about changes to our services and products.
- To deliver goods and services to you.
- When required by law, such as data needed for our tax returns.

Data can also be used for promotional or marketing purposes related to the type of services provided by Solids Suction Machinery Solutions B.V.. For example, to inform you about a new activity of Solids Suction Machinery Solutions B.V. through our newsletter. If you do not wish to be contacted via our newsletter, you can indicate this by clicking 'unsubscribe' at the bottom of the newsletter.

We can only use your data for a purpose other than the one for which it was originally processed if there is a close relationship between both purposes.

Rules for processing personal data:

When processing personal data, Solids Suction Machinery Solutions B.V. is bound by the applicable laws and regulations and monitors developments in this field. In this context, Solids Suction Machinery Solutions B.V. reserves the right to make changes to this privacy statement to align it with the latest developments, as mentioned at the end of this privacy statement.

How long we keep data:

Solids Suction Machinery Solutions B.V. does not retain your personal data longer than strictly necessary to achieve the purposes for which your data is collected.

Sharing with others/disclosure of data to third parties:

Solids Suction Machinery Solutions B.V. does not sell your data to third parties and only discloses it if necessary for the execution of our agreement with you or to comply with a legal obligation. We enter into a data processing agreement with companies that process your data on our behalf to ensure the same level of security and confidentiality for your data.

Tracking website visits (public section):

Solids Suction Machinery Solutions B.V. only uses technical and functional cookies. A cookie is a small text file that is stored on your computer, tablet, or smartphone when you first visit our websites. The cookies we use are necessary for the technical operation of the websites and your convenience. They ensure that the websites function properly and remember your preferences. You can opt out of cookies by configuring your internet browser not to store cookies anymore. Additionally, you can delete all previously stored information through your browser settings.

Access, correction, or deletion of data:

You always have the option to view, correct, or delete all your personal data known to us. To do so, please send a specific request to info@solidssuction.nl.

Security:

Solids Suction Machinery Solutions B.V. attaches great importance to the security and protection of your personal data. Solids Suction Machinery Solutions B.V. has taken appropriate technical and organizational measures to secure and protect your personal data against loss, alteration, misuse, or any other form of unlawful processing. Anyone at [company name] who has access to personal data and/or processes them is obliged to maintain the confidentiality of that data, unless otherwise required by law or regulations. In the event that Solids Suction Machinery Solutions B.V. uses the services of third parties, Solids Suction Machinery Solutions B.V. will make agreements regarding the necessary security measures for the protection of personal data. If you believe that your data is not properly secured or if there are indications of misuse, please contact us.

Your privacy rights:

When you request access, correction, objection, or deletion of your personal data, Solids Suction Machinery Solutions B.V. will inform you about this within 5 working days. You can submit this request via info@solidssuction.nl.

Questions:

If you have any questions or comments about the processing of your personal data and this Privacy Statement, you can contact us via info@solidssuction.nl.

This privacy statement was drafted on January 1, 2021.
